### Strategic Plan 2018-2020

#### Vision
- An engaged, connected and resilient community of learners

#### Mission
- Students are prepared for their transition into further learning, employment and life as global citizens through quality teaching programs

#### Values
- Excellence
- Respect
- Innovation
- Sustainability

#### Key Directions

<table>
<thead>
<tr>
<th>Quality teaching and learning</th>
<th>Connection and engagement</th>
<th>Entrepreneurship and partnerships</th>
<th>Better futures</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monitoring of student achievement and progress, and implementing strategies to ensure success</td>
<td>Developing student awareness of pathways, opportunities and support organisations</td>
<td>Developing industry and community partnerships that connect to curriculum and student needs</td>
<td>Integrating the capabilities into teaching and learning programs</td>
</tr>
<tr>
<td>Using data to inform practice</td>
<td>Developing growth mindsets and goals for the future</td>
<td>Developing student understanding of, and confidence in entrepreneurship and innovation</td>
<td>Identifying new opportunities for current and future students</td>
</tr>
<tr>
<td>Developing shifts in practice that improve learning outcomes for students</td>
<td>Valuing and using student voice to guide our work</td>
<td>Developing student understanding of workplace roles and responsibilities</td>
<td>Developing a workforce plan to meet current and future needs</td>
</tr>
<tr>
<td>Developing confident, self-directed and capable lifelong learners</td>
<td>Developing a structured and targeted approach to transition</td>
<td>Developing student capacity in communication and collaboration</td>
<td>Planning and implementing asset and resource renewal</td>
</tr>
<tr>
<td>We have high standards and support our students to achieve their best</td>
<td>We work with others to support the health, wellbeing and engagement of our students</td>
<td>We prepare students for work and life in a transforming global economy</td>
<td>We are future-focused to best meet the needs of our students and staff</td>
</tr>
</tbody>
</table>

#### Student Outcomes
- Students graduate as global citizens; peace builders, champions of democracy, lifelong learners, critical and creative thinkers, environmentally conscious and with clear pathways for the future
- Improvement in SACE retention and achievement
- Increase in completion of VET qualifications

#### Staff Outcomes
- Increased staff focus on improvement strategies
- Succession plans in place for all staff
- Improved results on wellbeing/psychological health surveys

#### Trends Over Time
- Increase in the number of curriculum-industry partnerships
- Increase in the number of students successfully completing their studies and transitioning to post-college pathways in further education, training and employment
