THEBARTON SENIOR COLLEGE

The Barton Senior College is a specialist senior secondary school funded by the SA Government.

The College offers quality education in a wide variety of South Australian Certificate of Education and Vocational Education and Training (VET) courses as a Registered Training Organisation (RTO) accredited to deliver nationally recognised training.

VET training can be used for SACE completion with 35 nominal hours equalling 5 SACE credits. Course applicants will be required to attend an information session, an interview and sit a Literacy and Numeracy (LLN) test.

BARISTA ESSENTIALS 10 STAGE 1 CREDITS

Course Description
Students master the main types of espresso-based beverages and their preparation, as well as other common drinks sold in cafes. Students develop the fundamental skills and knowledge needed to prepare and serve espresso coffee, such as grinding the grind, tamping, extracting milk, correct storage of beans, hygiene practices, responding to customer requests and maintaining a clean workspace. Students participate in hands-on, practical sessions, as well as computer-based theory work. This is a partial qualification and includes three units of competency from the Tourism, Travel and Hospitality training package.

BSB20115 CERTIFICATE II IN BUSINESS 50 STAGE 1 CREDITS

Course Description
In this course, students work in an office environment called a Simulated Business. This prepares the learner to work in jobs such as a clerical assistant, receptionist, office administrator or personal assistant. Activities are hands-on with development of skills and knowledge reinforced through written and oral presentations. Skills are acquired in dedicated training sessions in Word Processing and Spreadsheets.

BSB30415 CERTIFICATE III IN BUSINESS ADMINISTRATION

Up to 90 STAGE 2 CREDITS

Course Description
In this course, students work in an office environment called a Simulated Business. This provides preparation for work in jobs such as a clerical assistant, receptionist, office administrator or personal assistant. Activities are hands-on with development of skills and knowledge reinforced through written and oral presentations. Skills are acquired in dedicated training sessions in Advanced Word Processing, Desktop Publishing, PowerPoint and Databases.

BSB33015 CERTIFICATE III IN MICRO BUSINESS OPERATIONS 50 STAGE 3 CREDITS

Course Description
A micro business is defined as being individually owned and has less than four employees. In this course, students will be able to develop a business concept by understanding and exploring the fundamentals required for establishing a viable and profitable business.

CHC22015 CERTIFICATE II IN COMMUNITY SERVICES 30 STAGE 1 CREDITS

Course Description
This course may be used as a pathway for workforce entry as a community services worker who provides a first point of contact and assist individuals in meeting their individual needs. It is suitable for students who are interested in improving their skills in English, both spoken and written communication.

CHC32015 CERTIFICATE III IN COMMUNITY SERVICES 60 STAGE 2 CREDITS

Course Description
This course develops knowledge and skills to work with clients in a support role in a community services organisation. This qualification reflects the role of entry level community services workers who support individuals through the provision of person-centred services.

CHC30113 CERTIFICATE III IN EARLY CHILDHOOD EDUCATION AND CARE 115 STAGE 2 CREDITS

Course Description
This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. Students learn how to care for, interact with and support young children. They are provided with experienc to explore the childcare industry, focusing on the emotional, cognitive and physical developmental stages of children, including nutrition, structured workplace learning and supporting students to practice their skills and knowledge gained within the classroom environment.

CPC30111 CERTIFICATE II IN CONSTRUCTION DOORWAYS 2 CONSTRUCTION 40 STAGE 1 CREDITS

Course Description
This course is delivered by Thoburn Senior College on behalf of TAFE SA (RTO 401026). In this practical-based course, students participate in activities designed to develop and improve knowledge and skill in building and construction. Students become familiar with a wide range of tools and equipment. Students work in a simulated work environment as well as participate in work placements at an appropriate work site.

CPC30211 CERTIFICATE III IN CARPENTRY DOORWAYS 2 CONSTRUCTION PLUS 40 STAGE 2 CREDITS

Course Description
This course is delivered by TAFE (RTO 00142) at Thoburn Senior College. This course has been designed for students wishing to pursue a career in the Building and Construction Industry. This is a partial qualification and is available to students who have successfully completed Certificate II in Construction.

MEM20413 CERTIFICATE II IN ENGINEERING PATHWAYS 55 STAGE 1 CREDITS

Course Description
This course is delivered by TAFE SA (RTO 401026) at Thoburn Senior College. This is an entry level, general skills set, designed to appeal to students wishing to pursue a career in the metal trades, manufacturing and related industries, including mining and infrastructure, Workplace Health and Safety within a major focus of all work undertaken. Students will use a wide range of metal working equipment in a modern, well-equipped workshop environment. This is a partial qualification that will equip graduates with knowledge and skills which will enhance their prospects of employment in an engineering or related work environment.

GATEWAY TO TRADES 10 STAGE 1 CREDITS

Course Description
The Gateway to Trades course provides valuable preparation for Year 10 students contemplating future studies in any trade-related area. In this one day per week course, students will gain an appreciation of the range of trades that are available, and for the wide variety of career options and tertiary study options that a trade can lead to. The course will assist students in building their knowledge base and developing workplace skills in a simulated trade context.

FUTURE DIRECTION – CIVIL CONSTRUCTION

Thoburn Senior College is working with the Civil Contractors Federation (CCF) to explore the possibility of offering an industry Certificate II in Civil Construction. Please contact the college for further information.
