

CERTIFICATE II INFORMATION, DIGITAL MEDIA AND TECHNOLOGY (ONLINE)

ICT20115 70 STAGE 1 CREDITS

COURSE DESCRIPTION

This introductory course provides fundamental skills and knowledge for individuals to safely perform foundation digital literacy tasks using a personal computer and a range of software applications and digital devices.

CERTIFICATE III INFORMATION, DIGITAL MEDIA AND TECHNOLOGY

ICT30115 5 STAGE 1 CREDITS AND 60 STAGE 2 CREDITS

COURSE DESCRIPTION

This qualification provides skills and knowledge for an individual to be competent in a wide range of general information and communications technology (ICT) technical functions and to achieve a degree of self-sufficiency as an advanced ICT user. Students completing this course will acquire skills in working effectively in an IT environment.

CERTIFICATE IV INFORMATION TECHNOLOGY

ICT40115 130 STAGE 2 CREDITS

COURSE DESCRIPTION

Students participate in a wide range of activities designed to develop and improve skills and knowledge in the IT industry. Topics covered include software design, app creation, programming, computer support and networking. Students also complete their Stage 2 Research Project during the course. This is a full time course that provides Stage 2 completion and direct entry tertiary pathways.

CERTIFICATE III SCREEN AND MEDIA (VISUAL DESIGN)

CUA31015 85 STAGE 2 CREDITS

COURSE DESCRIPTION

This course allows students to develop skills in the visual design process for screen, video games and other media. Students will have the opportunity to produce designs for characters, costume, props, vehicles, and environments - both in 2D and 3D, and in a simulated studio setting. Students will develop skills in collaboration and the creative design process that will allow them to work effectively in the creative arts industry and produce work suitable for a portfolio that will assist them in further study or work applications.

CERTIFICATE IV SCREEN AND MEDIA (VISUAL DESIGN)

CUA41215 130 STAGE 2 CREDITS

COURSE DESCRIPTION

This course is designed to be completed with the Certificate III Screen and Media and allows students to further develop their skills and portfolios.

SENIOR COLLEGE

THEBARTON SENIOR COLLEGE VET CERTIFICATES

THEBARTON SENIOR COLLEGE

Thebarton Senior College is a specialist senior secondary school funded by the SA Government.

The College offers quality education in a wide variety of South Australian Certificate of Education and vocational certificate courses as a Registered Training Organisation (RTO) accredited to deliver nationally recognised training.

VET training can be used for SACE completion with 35 nominal hours equalling 5 SACE credits.

BARISTA ESSENTIALS 10 STAGE 1 CREDITS

COURSE DESCRIPTION

This course has a specific focus on the preparation and service of espresso-based beverages, and other café style drinks. Students also learn basic concepts associated with working in the café industry, such as WHS processes, food safety, customer service, the application of quality systems/procedures and environmentally sustainable work practices.

CERTIFICATE II BUSINESS **BSB20115** 50 STAGE 1 CREDITS

COURSE DESCRIPTION

In this course students work in an office environment called a Simulated Business. This prepares the learner to work in jobs such as a clerical assistant, receptionist, office administrator or personal assistant. Activities are hands-on with development of skills and knowledge reinforced through written and oral presentations. Skills in word processing and spreadsheets are acquired.

CERTIFICATE III BUSINESS ADMINISTRATION **BSB30415** UP TO 90 STAGE 2 CREDITS

COURSE DESCRIPTION

In this course students work in an office environment called a Simulated Business. This provides preparation for work in jobs such as a clerical assistant, receptionist, office administrator or personal assistant. Activities are hands-on with development of skills and knowledge reinforced through written and oral presentations. Dedicated training in advanced word processing, desktop publishing, powerpoint and database skills are part of this course.

CERTIFICATE III MICRO BUSINESS OPERATIONS **BSB30315** 50 STAGE 2 CREDITS

COURSE DESCRIPTION

A micro business is defined as being individually owned and has less than four employees. During the course students will be able to develop their business concept by understanding and exploring the fundamentals required for establishing a viable and profitable business.

CERTIFICATE II COMMUNITY SERVICES **CHC22015** 30 STAGE 1 CREDITS

COURSE DESCRIPTION

This qualification may be used as a pathway for workforce entry as community services workers who provide a first point of contact and assist individuals in meeting their individual needs. It is suitable for students who want to improve their skills in English spoken and written communication in Community Services.

CERTIFICATE III COMMUNITY SERVICES **CHC32015** 80 STAGE 2 CREDITS

COURSE DESCRIPTION

This course develops knowledge and skills to work with clients in a support role in a community services organisation. This qualification reflects the role of entry level community services workers who support individuals through the provision of person-centred services.

CERTIFICATE III EARLY CHILDHOOD EDUCATION AND CARE **CHC30113** 115 STAGE 2 CREDITS

COURSE DESCRIPTION

This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the Education and Care Services National Regulations and the National Quality Standard. Students learn how to care for, interact and work with young children. They are provided with an opportunity to explore the childcare industry, focusing on the emotional, cognitive and physical developmental stages of children, including nutrition. Structured workplace learning allows students to practise their skills and knowledge gained within the classroom environment.

CERTIFICATE I CONSTRUCTION **DOORWAYS 2 CONSTRUCTION** **CPC10111 (RTO 41026)** 40 STAGE 1 CREDITS

COURSE DESCRIPTION

In this practical-based course students participate in activities designed to develop and improve knowledge and skill in building and construction. Students become familiar with a wide range of tools and equipment. Students work in a simulated work environment as well as participate in work placements at an appropriate work site.

CERTIFICATE II ENGINEERING PATHWAYS **MEM20413 (RTO 41026)** 40 STAGE 1 CREDITS

COURSE DESCRIPTION

This is an entry level, general skill set, designed to appeal to students wishing to pursue a career in metal trades, manufacturing and related industries, including mining and infrastructure. Workplace Health and Safety will be a major focus of all work undertaken. Students will use a wide range of metal engineering equipment in a modern, well equipped workshop environment. This qualification will equip graduates with knowledge and skills which will enhance their prospects of employment in an engineering or related work environment.

CERTIFICATE III CARPENTRY **(WORKING TOWARDS)** **DOORWAYS 2 CONSTRUCTION PLUS** **CPC30211 (RTO 0022)** UP TO 50 STAGE 2 CREDITS

COURSE DESCRIPTION

This course has been designed for students wishing to pursue a career in the Building and Construction industry. The course is available for students who have successfully completed Certificate I Construction.
